

CONCERTO CLASS1 CLOSING CONFERENCE

”Reaching Nearly Zero-Energy
Buildings and CO₂ Targets through
Urban Development”

AGENDA

09.00: Welcome

Mayor of Egedal Municipality, Willy R. Eliassen

09.15: Conference opening

Steen Gade, Chairman of the Committee for Climate, Energy and Buildings at the Danish Parliament

09.30: The EU's CONCERTO Funding Initiative

- the Context of the Class1 project: Markus Winkelmann, ITAS Karlsruhe Institute for Technology

09.45: The Class1 project

– the official framework of the Conference, Ove Mørck, Cenergia Energy Consultants

10.00: Morgenstadt: City Insights

- for transforming our cities into smart and sustainable environments,
Hans Erhorn, Fraunhofer Institute for Building Physics, Stuttgart, Germany

10.30: Planning effectively for change

- how to make urban strategies for sustainable development that work.
Maj-Britt Quitzau, DIST, AAU

11.00-11.30: Coffee break

11.30-12.30: Round table discussion

Reaching Nearly Zero-Energy Buildings and ambitious CO2-targets in different European contexts through Urban Development – Kirsten Engelund Thomsen, Sbi/AAU & Ove Mørck, Cenergia Energy Consultants

AGENDA

12.30-13.30: **Lunch**

13.30: **Experiences from Egedal Municipality**

-with implementation of urban and local plans for sustainable development, CTO, Jacob Hessellund Madsen, Egedal Municipality

14.00: **How do we get most CO2-reductions for the money spent?**

The CO2-reduction in a new residential building area in a Danish municipality estimated for different energy saving technologies in relation to the investment , Ole Balslev-Olesen, Cenergia

14.30: **How do we meet 2020 requirements in new building projects?**

Signe Kongebro, Henning Larsen Architects

15.00-15.30: **Coffee break**

1530: **Does CO2-neutral district heating have a future for supplying low- energy buildings?**

Cost-efficient district heating systems for low-energy houses ; Allan N. Hansen, Logstor
and

Woodchip based Combined Heat and Power production

Henrik Houmann Jakobsen, Biosynergi

16.30: **Closing remarks**

Mayor of Egedal Municipality, Willy Eliassen.

Evening arrangement in TIVOLI

18.00: Arrival to Tivoli
- walk to restaurant
H. C. Andersen Slottet.

18.30: Energy efficiency technologies
implemented in Tivoli
Representative from Tivoli

19.00: Welcome drinks in the hall

19.30: Three course dinner

Walk to Tivoli from here – 14 min.
